"IT TAKES 2-3 YEARS FOR PEOPLE TO ACTUALLY KNOW YOU ARE IN BOMBAY... WHY IS ACCESS TO THE FILM INDUSTRY SUCH A COMPLICATED PROCESS?"

~ In an **EXCLUSIVE** interview with NEWJ, Rakul Preet Singh opens up ~ on the launch of her new app STARRING YOU

Mumbai, November 26, 2021: In an all access **EXCLUSIVE** interview with NEWJ, Gen-Z silver screen sensation Rakul Preet Singh gave NEWJ a special inside look of her newly launched app STARRING YOU.

STARRING YOU is a revolutionary new app that is poised to revolutionize the entertainment industry and lives of aspirants looking for their big break.

NEWJ got Rakul Preet to bare her heart on her sleeve and share some of her personal experiences and inspiration that led to the creation of STARRING YOU.

She said, "It takes 2-3 years for people to actually know you are in Bombay, why is access to the film industry such a complicated process? STARRING YOU is a platform which will connect opportunities to the people who dream to have those prospects."

STARRING YOU was clearly created as a solution to overcome distance. "The physical boundaries led us to figure a way to bridge the gap. We created a platform where people didn't necessarily have to be in Mumbai to audition for their dream opportunity in the film industry." she told NEWJ

"I have never really believed in the word nepotism because I feel as an Indian society, we have a very solid conditioning of nepotistic ways." she smirked.
